MAILED

AUG 30 2010

In re Application of	:	OFFICE OF PETITIONS
Mary Morabito O'Neill et al.	:	
Application No. 10/790,889	:	DECISION ON PETITION
Filed: March 1, 2004	:	
Attorney Docket No. 03W124	:	

This is a decision on the petition under the unintentional provisions of 37 CFR 1.137(b), filed August 6, 2010, to revive the above-identified application.

This application became abandoned for failure to timely pay the issue and publication fees on or before July 26, 2010, as required by the Notice of Allowance and Fee(s) Due, mailed April 26, 2010. Accordingly, the date of abandonment of this application is July 27, 2010

The petition is **GRANTED**.

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of payment of the issue fee of \$1,510 and the publication fee of \$300, (2) the petition fee of \$1,620; and (3) a proper statement of unintentional delay.

It is not apparent whether the person signing the statement of unintentional delay was in a position to have firsthand or direct knowledge of the facts and circumstances of the delay at issue. Nevertheless, such statement is being treated as having been made as the result of a reasonable inquiry into the facts and circumstances of such delay. See 37 CFR 10.18(b) and Changes to Patent Practice and Procedure; Final Rule Notice, 62 Fed. Reg. 53131, 53178 (October 10, 1997), 1203 Off. Gaz. Pat. Office 63, 103 (October 21, 1997). In the event that such an inquiry has not been made, petitioner must make such an inquiry. If such inquiry results in the discovery that it is not correct that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional, petitioner must notify the Office.

There is no indication that the person signing the petition was ever given a power of attorney to prosecute the application. If the person signing the petition desires to receive future correspondence regarding this application, the appropriate power of attorney document must be submitted. While a courtesy copy of this decision is being mailed to the person signing the petition, all future correspondence will be directed to the address currently of record until appropriate instructions are received.

Telephone inquiries concerning this decision should be directed to JoAnne Burke at 571-272-4584.

This application is being referred to the Office of Data Management for processing into a patent.

A handwritten signature in black ink, appearing to read 'JoAnne Burke', written over the printed name.
